

„Imagine“, alternative songtext

Original text:

Imagine there's no heaven
It's easy if you try
No hell below us
Above us, only sky
Imagine all the people
Livin' for today
Ah
Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion, too
Imagine all the people
Livin' life in peace
You
You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one
Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world
You
You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

New text:

Imagine no pollution
Not easy but we can try
Let's start a revolution
And some day we'll have a healthy sky
Imagine no pollution
We can start today
Ah
Imagine no children working
Just free them and let them live
I thought that this was a clear thing
But dead people can not forgive
Children all have needs
You
You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one
Imagine only with consent
No rape on this planet
A crime rate of 0%
And safety would be granted
Imagine all the people
Sharing all the world
You
You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one
